About me

I am a graphic designer specialized in UX UI for 6 years, I like to create apps, platforms and systems that make user's life easier. I really enjoy teamwork and learning from other areas such as development, illustration, etc. I work hard every day to be aware of the latest trends and keep the level of my work at the highest. I have experience as pm, area leader and team management.

More information

- I enjoy traveling & surfing.
- I'm photographer & filmmaker.
